

THE PERFECT STEP-BY-STEP GUIDE FOR PARENTS WHO WANT THEIR YOUNG CHILDREN TO BECOME BILINGUAL.

Raising a Bilingual Child offers both an overview of why parents should raise their children to speak more than one language and details steps parents can take to integrate two languages into their child's daily routine. It also includes inspirational first-hand accounts from parents. Bilingualism expert Barbara Zurer Pearson provides parents with information, encouragement, and practical advice for creating a positive bilingual environment for young children.

"This book is an invaluable resource for today's parents: it provides them with clear, eminently readable, and trustworthy guidelines they can use to help the child learn a second language."

-J. Kevin Nugent, PH.D.,

Director, The Brazelton Institute, Children's Hospital, Boston and Harvard University; Professor, Child and Family Studies, UMASS at Amherst

"This is a book that inspires confidence that the choice of bilingualism is a good one for parents, for children, and for our society."

-Donna Christian, PH.D.,

President, Center for Applied Linguistics, Washington D.C.

Barbara Zurer Pearson, PH.D., a bilingualism expert with more than twenty years of research experience in the fields of bilingualism and linguistics, is a Research Associate at the University of Massachusetts. Her pioneering work on bilingual learning by infants and children and on language assessment has been published in scholarly journals and in the book *Language and Literacy in Bilingual Children*.
